SYMPHONY and INFINITY Collections

Atmosfere eteree dalla forte personalità avvolgono, come note musicali, un nuovo modo d'intendere l'arredo. Purezza formale, geometrie lineari sottolineate da inserti metallici, definiscono la natura di Infinity. Sagomature sinuose che accompagnano preziose finiture sono il Leitmotiv di Symphony. Due Collezioni che simboleggiano lo spartito e la sua musica, il rigo perfetto che detta i toni e le note flessuose di una melodia compositiva e progettuale. Con le sue nuovissime proposte, Bizzotto proietta il design in un concept che rimanda all'armonia e alla bellezza di un'aria senza tempo. Con Infinity e Symphony lo stile Bizzotto parla al mondo attraverso il linguaggio universale della musica.

Ethereal atmospheres where strong personalities embrace - like musical notes - a new way of perceiving furniture. Purity of form and linear geometry highlighted by metal inserts define the nature of Infinity. Curved shapes together with precious finishes are the leitmotif behind Symphony. Two collections symbolising the score and its music, the perfect stave that dictates the tones and flexible notes of a composed melody as well as a design. With their latest offers, Bizzotto projects design into a concept echoing the harmony and beauty of a timeless aria. With Infinity and Symphony, Bizzotto's style reflects the world through the universal language of music.

LIVING

A Place To Be

Glamour come impone Miami, elegante come vuole lo stile Bizzotto: questo living offre tutto quel che serve per vivere il comfort della propria casa. Un open space avvolgente che si affaccia sull'oceano, caratterizzato da un design raffinato e prestigioso come suggeriscono le regole compositive ed il gusto made in Italy. Profili e geometrie evocano uno stile anni '40 sobrio e raffinato, la delicatezza dei toni colore offre un'atmosfera emozionale. Dai dettagli degli arredi handmade all'equilibrio dell' illuminazione, passando per i pregiati marmi e la morbidezza dei divani, in un percorso dove il progetto si trasforma in uno spazio unico e armonioso.

Glamorous like Miami, elegant in true Bizzotto style: this living room offers everything that you need to live comfortably in your own home. A beguiling open space that overlooks the ocean, characterised by a refined and prestigious design, as dictated by Italian rules of composition and taste. Profiles and geometric shapes are reminiscent of a 1940s style - sober and refined - the delicacy of the shades of colour offers an emotional atmosphere. From the details of the handmade furniture to the balanced lighting, to the precious marble and soft sofas, the project is transformed into a unique and harmonious space.

Sono cerchi sospesi nell'aria i tavolini che coniugano cristallo e marmo, leggerezza e forza: un accostamento materico e concettuale calibrato attorcigliando attraverso il design. Armonia di forme e colori sottolineata dalle nuance chiare delle sedute e del grande tappeto che sottolinea l'ampiezza del salone.

Circles floating on air - these tables combine glass and marble, lightness and strength: a material and conceptual combination that is carefully calibrated by design. Harmony in shapes and colours is underlined by the light colours of the seats and the large rug, which emphasises the size of the living room.

Aria e leggerezza caratterizzano l'atmosfera di questo scorciò privato dell'area living. Una piccola zona relax tutta da vivere. Protagonista, l'elegante libreria rigorosa e minimal. Sobrietà e preziosità allo stesso tempo, grazie al contrasto tra la struttura metallica in oro e i ripiani in essenza erable accompagnati da finiture madreperla.

Air and lightness characterise the atmosphere in this private part of the living area. A small relaxation area to be fully appreciated. The leading character is a rigorous and minimal bookcase. Sobriety and preciousness are combined, thanks to the contrast between the gilded metal structure and the shelves in erable wood, accompanied by mother of pearl finishes.

Un cabinet bar raffinato e dalla forma essenziale, sigillato dalla preziosità della grande maniglia dorata con rosa incisa, simbolo della maison Bizzotto. Essenze preggiate racchiudono la funzionalità degli scomparti attrezzati dedicati a bicchieri e bottiglie. Savoie faire artigianale e design si fondono in uno scritto perfetto.

A refined bar cabinet with an essential shape, sealed by the preciousness of the large gilded handle with a carved rose, the symbol of maison Bizzotto. KITCHEN

Luxury, balance, and aesthetics

La cucina è il cuore pulsante della casa e richiede il perfetto equilibrio tra funzione ed estetica, attraverso un concept progettuale in grado di unire forma e funzione. L'unione di materiali differenti e sistemi tecnologici rappresentano una scelta dettata dall'utilizzo stesso dell'ambiente che deve saper garantire eccellenza dei materiali e al contempo razionalità nel disegno e nella disposizione progettuale. Le texture di essenze preziose e i riflessi madreperla dei componibili fanno da sfondo all'ambiente cucina per vivere appieno il piacere di un momento conviviale.

The kitchen is the beating heart of every home and requires the perfect balance between functionality and aesthetics, through an original design concept capable of combining form and function. The combination of different materials and technological systems represents a choice dictated by the use of this room, which needs to guarantee the excellence of materials and, at the same time, the rationality of the design and layout of the project. The textures of precious woods and the reflections of mother of pearl in the modular units form the backdrop to the kitchen atmosphere, helping to fully appreciate every opportunity for conviviality.

La linearità dei profili metallici dorati scandiscono le superfici delle pareti attrezzate. I sistemi di ante a scomparsa consentono di racchiudere come scrigni segreti le dotazioni interne della cucina creando un continuum architettonico di boiserie e texture.

The linearity of the gilded metal profiles define the surfaces of the fitted walls. The hidden door systems enable to enclose - as if in hidden compartments - the internal fittings of the kitchen, creating an architectural continuum in the boiserie and textures.

Vetro, marmo, acciaio. Gli elementi si combinano, come in una ricetta perfetta, mantenendo ognuno la propria personalità, ma creando una coesione finale di grande effetto. I raggi del sole che entrano dalle enormi vetrate rimbalzano sul tavolo di cristallo, inondando di luce la cucina.

Glass, marble, steel. Elements are combined, like a perfect recipe, each one with its own personality, yet creating a final, high-impact whole. The sunrays that enter from vast windows bounce off the glass table, flooding the kitchen with light.

OFFICE

Powerful, yet comfortable

Un tocco di classe discreto e funzionale, racchiuso in uno spazio di rappresentanza austero e raffinato di grande impatto visivo. L'home office si trasforma così in uno spazio dove privacy e relazioni d'affari si intrecciano alla vita di tutti i giorni. Un connubio perfetto suggerito dalla disposizione stessa dell'ambiente in cui la zona dedicata agli affari, con l'imponente libreria e la scrivania di rappresentanza, è divisa dalla zona divani più informale e confortevole dove poter condividere, anche in un'occasione d'affari, un momento di relax.

A discreet and functional touch of class, enclosed in an austere and refined space of representation, with a great visual impact. The home office is thus transformed into a space where privacy and business relations are intertwined with everyday life. A perfect combination suggested by the very layout of the room in which the area dedicated to business - with its large bookcase and representative desk - is divided from the more informal and comfortable sofa area, where one may share a relaxing moment even during a business meeting.

Contorna il fascino caldo del fuoco la meravigliosa cornice intagliata nei toni dell'oro. Un ampio elemento di design che calamita gli sguardi e s'inserisce nella stanza con un guizzo di classicità. Appoggiata alla parete a specchi che dà profondità all'ambiente, osserva il salottino e il desk sul lato opposto.

The warm allure of the fire is surrounded by a marvellous carved frame in shades of gold. A large design element that captures your gaze and gives a touch of classicism to the decor of the room. Set against the mirrored wall that gives extra depth to the room, it observes the sitting room and the desk on the opposite side.
